Telling Time at Night

Mrs. Green bought a sundial at a sale and had it erected in her garden. She called in the builder and instructed him to move it to a more suitable place.

"Where would you like me to put it?" asked the builder.

"Under the electric lamp in the porch," she replied. "Then we shall be able to see the time when it's dark."—Pearson's Weekly.

Quite So

The fisherman saw what looked to be a likely pool and turned to a man lounging on the bank.

"Is it a crime to catch fish here?" he asked.

"Crime?" was the retort. "If you catch any it'll be a miracle."

The two major laws declared unconstitutional were the National Products Marketing Act, similar in some respects to the nullified American NRA and the Employment and Social Insurance Act, proposing a compulsory contributory employment insurance system. The laws were passed in 1934 and 1935 under the Conservative government then headed by Premier Bennett.

Declared valid were the Unfair Business Practices Act and the Farmers and Creditors Arrangement Act. The judges decided that the Dominion Trade and Industry Commission Act was partly valid. They reached a the verdict on the Minimum Wages Act, the Limitations of Hours of Work Act, and the Weekly Day of Rest in Industrial Undertakings Act.

IN TOPEKA, Kan., Gov. Alfred M. Landon, Republican nominee for the Presidency, met Col. Frank Knox, Vice Presidential nominee, and Chairman John Hamilton and members of the executive committee of the Republican national committee to make plans for the coming campaign. Speaking itineraries for Governor Landon and Colonel Knox were discussed as well as other campaign strategy.

John Hamilton

Youth is definitely represented in the reorganized personnel of the executive committee which will chart the Republican course. Hamilton, the new chairman, is forty-four. The youngest member, Robert P. Burroughs of Manchester, N. H., is thirty-six. Seven new members attended the meeting, including Burroughs; Representative Joseph W. Martin, Jr., North Attleboro, Mass.; J. Will. Taylor, Knoxville, Tenn.; Mrs. Horace Sayre, Ardmore, Okla.; Mrs. John Wyeth, St. Joseph, Mo.; Ezra Whitla, Coeur d'Alene, Idaho; and Earl Warren, Oakland, Calif. Members returned to the committee are: Charles D. Hilles, New York; Harrison E. Spangler, Cedar Rapids, Iowa; R. B. Creager, Brownsville, Texas; Mrs. Bertha Baur, Chicago, Ill.; Mrs. Paul Fitzsimmons, Newport, R. I.; Walter S. Hallahan, Charleston, W. Va.; and George Ball, Muncie, Ind.

In the reorganization of the committee, Hamilton traded posts with Henry P. Fletcher, who took over the job of counsel for the committee. C. B. Goodspeed of Chicago succeeded George F. Getz as treasurer. The other committee officers include four vice chairmen: Ralph E. Williams, Oregon; J. Henry Horsbach, Connecticut; Mrs. John E. Hilliman, Colorado; and Mrs. James Worthington, Pennsylvania.

DANGERS of civil war in China and an armed intervention by Japan were lessened somewhat by reports that Gen. Li Tsung-jen, military overlord of Kwangsi province, and his supporters had decided to yield to the superior strength of the Nanking central government, of which Chiang Kai-shek is the generalissimo. The rebellious chieftains of Kwangsi had been coupling their agitations against General Chiang with warlike demonstrations against the Japanese. Tokyo has demanded in no uncertain terms that the anti-Japanese activities throughout China be suppressed.

DEFINITE abandonment of Britain's trade sanctions against Italy and advocacy of their official removal by the League of Nations was decided upon by the British cabinet, under the presidency of Prime Minister Stanley Baldwin. This action of the cabinet had been expected for some time, following the failure of the sanctions to halt Italy's progress in the conquest of Ethiopia.

Anthony Eden

It was expected that Capt. Anthony Eden, foreign secretary, would go to Geneva to attend the league meeting and urge abolition of league sanctions against Italy. Dispatches from Paris indicated French support of the British program.

The cabinet was also reported to have formulated a program regarding Germany and the reformation of the league which may call for continued pressure on Reichsfuehrer Hitler to use his power and influence to promote European peace.

GEN. JOHN J. PERSHING is not optimistic concerning world peace. Addressing the graduating class at the United States Military academy on the fiftieth anniversary of his own graduation, the general said "no one can tell when we shall again need our armies." He continued: "The situation in the world today is far from reassuring. None can foresee the effect upon us of another world catastrophe. Loyal citizens cannot shut their eyes to the possibility of war. They owe it to all that is sacred to make ample preparation against an evil day."

Fourth Time for Holiday Parties

THE Fourth of July, the most important holiday of the summer season, while still of great historical importance, is celebrated in a very nonchalant and sane manner. To the majority of persons it means a lazy day spent in the country or at the beach, with dinner served picnic-fashion, under the open sky. Or, another popular method of celebration, writes Ethel K. Ehlen in the Detroit News, is to invite a few friends in for luncheon, cocktails or dinner—very informal and served on the porch or terrace.

Buffet service continues in popularity, and is equally suitable for entertaining in town or country. Even a picnic menu may go buffet style these days, and it is a very satisfactory manner of service. If this version is selected for celebration in the country or at the beach, paper table cloths, dishes, spoons and forks, simplify matters considerably. And, the setting may be just as attractive as that in which the conventional china and silver are used. A red, white and blue color scheme may be easily arranged, as patriotic appointments in a number of different versions are available.

If the hostess desires something a bit more formal in character, there is a red satin cannon center-piece, which may be filled with surprise favors, and red satin firecrackers as candy or salted nut containers.

For the children's Fourth of July party, red, white and blue snappers and a table centerpiece consisting of a blue patent leather bag, tied with the patriotic tri-colors and filled with surprise packages wrapped in cellophane, is timely and a little unusual. This clever bag of favors is also nice as a gift to a small child.

Nautical decorations in red, white and blue are cool and summery looking and an innovation in patriotic ensembling for the table. Frosted beverages may be invitingly served in tall crystal glasses decorated with navy blue anchors, ships, and the like, the red note being supplied by the cherry garnish, and repeated in the tiny sandwiches which may be cut in the shape of a firecracker. Ice cream and cake, so important in the American summer menu, will be available for the important holiday in suitable color schemes and designs, and may be packed in dry ice for carrying to the beach as dessert for the picnic lunch.

Numerous handy equipment is available for both cooking under the open sky, or adequately packing picnic menus which have been prepared at home. One of the additions to this already large family list is a miniature stove, so constructed that paper may be used as the fuel for the fire; or, twigs for such things as steak and other foods that require a greater amount of heat. Wicker picnic baskets, with or without insulating qualities; long-handle forks, broilers and frying pans; thermos jugs and bottles; all help to make picnicking more delightful.

A perfectly grand kind of picnic basket is a kit of leather, simulated leather or wicker, completely equipped with utensils, china and cutlery, and plenty of separate compartments for packing sandwiches, salads, relishes, desserts and so on.

Cellophane is a wonderful picnic aid for wrapping practically any kind of picnic edibles. Paper table mats, table cloths and napkins, are fashioned of white and designed in such a manner they have the appearance of linen. Paper cups have gone more attractive and practical too—late versions are equipped with handles, which makes drinking an easier process. They, as well as plates and serving dishes are patterned after china, having a small gold band as the effective decorative medium.

The Fourth of July celebration in the modern manner may take the form of a picnic in quite primitive fashion, or in a more pretentious style, like that just described. Or, if one does not yearn for the open road and sunny beach, the holiday may be gloriously celebrated with informal entertaining at home, with appointments and decorations in patriotic themes. Any of these interpretations are timely and in keeping with the modern scheme of things.

Continental Congress' Meeting

It was in Carpenters' hall, a short distance east of Independence square, that the first Continental congress assembled on September 5, 1774. The second Continental congress met in Independence hall, May 10, 1775.

New cabbage cut in strips, dropped in salted water and boiled for from ten to fifteen minutes, is much more digestible than when boiled for a longer time.

Leftover fruit juices should be canned for next winter's use. Added to gelatin desserts, puddings, etc., they give a delicious flavor.

* * *

Meringue falls when the oven is too hot. If you wish to bake a meringue successfully, have oven less than moderate heat.

Don't use a stiff brush when washing linoleum. This destroys the luster. Wash lightly with soap and water.

Label preserving jars with adhesive tape and write on tape with red ink what each jar contains.

One-third whiting, one-third plaster of paris (potash) and one-third flour mixed with water into a smooth paste, is excellent for filling small cracks in plaster.
